

# Sullivan's Island Elementary School

1120 Rifle Range Road, Mount Pleasant, SC 29464

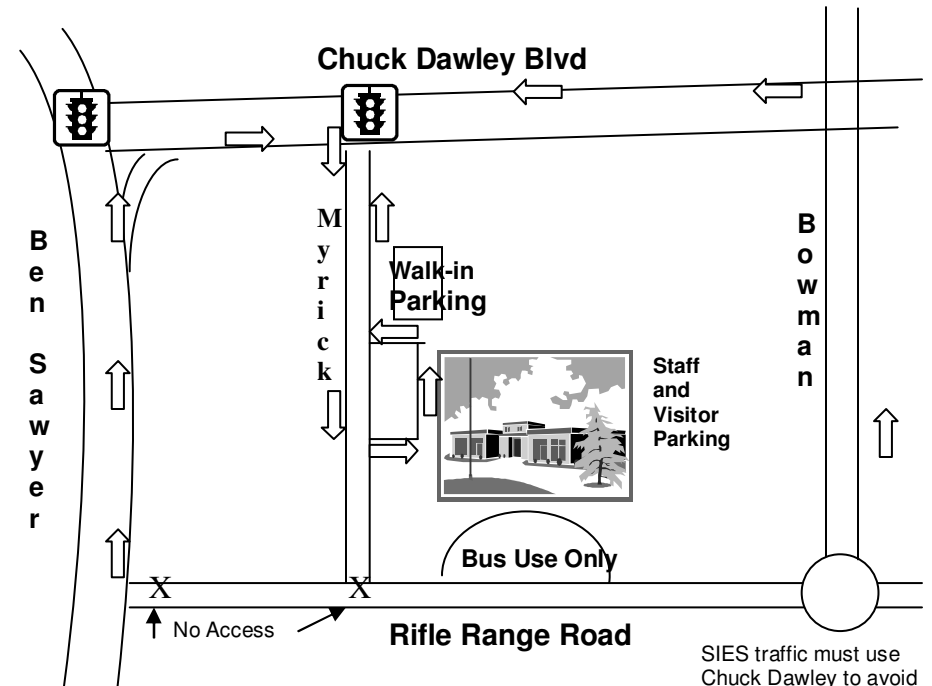

## Traffic Plan - Bus and Car Drop-Off/Pick-Up Routes

The **Mt. Pleasant and Sullivan's Island Police Departments** have worked together to create a safe and effective drop-off and pick-up route for buses and cars. It is **essential** that we dedicate Rifle Range Road for **bus use only**, with car access by way of Chuck Dawley Blvd to Myrick Road.

The **Car Drop Off and Pick Up** route will be located on the **Myrick Road** side of the school building. Car drivers are to arrive by way of **Chuck Dawley Blvd.**, travel down Myrick Road, and loop through the carpool line, returning back up Myrick Road to Chuck Dawley Blvd.

**Buses only** will use the front drive during drop off and pick up. **Walk-In Parking** is located off Myrick Road near the car drop off and pick up area.

**Please Note: Isle of Palms traffic is directed to use Jasper Blvd, through Sullivan's Island, to access Ben Sawyer and Chuck Dawley. NO car traffic will be permitted to access the school from Rifle Range Road during drop-off and pick-up.**

SIES traffic must use  
Chuck Dawley to avoid  
Whitesides Elem.
